TG3002 GPON

Multi-function GPON ONT

Internet and TV
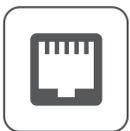

🔌	1 GE and 3 FE LAN connections	📡	Superb anti-interference capability
◎	CATV port available	📐	Classic appearance design

www.whty.com

Stable Data Transmission

- 2.5G Downstream/ 1.25G Upstream GPON interface
- Fully electromagnetic interference proof
- Lower bit error rate
- Lower latency

MAX | 1.25G Upstream
MAX | 2.5G Downstream

OPT   RF   RST LAN 1/GE LAN 2 LAN 3 LAN 4 PWR ON/OFF
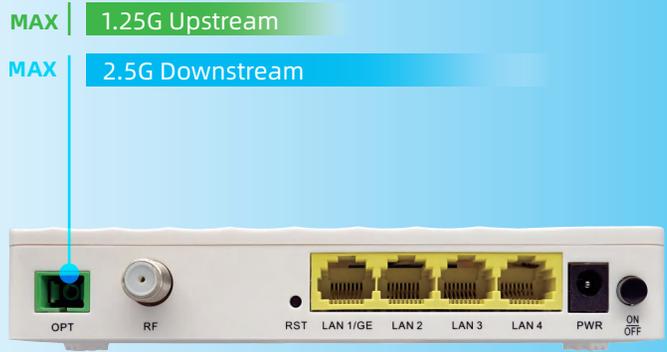

Not Just Internet Routing

- CATV port for stable and smooth TV signal

Fashion Of Simplicity

- White casing fits most indoor environment

Technical Specifications

CPU

MIPS 2 Dual Core
950MHz

Memory

FLASH 128MB
DDR   256MB

LED

Power+PON+LOS+NET+LAN1+LAN2+LAN3
+LAN4+CATV

Interface

1×GE+3×FE

Work model

PPPoE、DHCP、Static IP mode

OS System

System properties/password modification/
backup upgrade/restart

Button

1×RESET+1×ON/OFF

Management approach

OMCI / Web UI management
SSH management using cli commands
Dual system software backup

Power adapter

DC 12V/1A

Power Consumption

≤12W
